

Cierra
Hill Coordinator

Hi! My name is Cierra and I am from Fishers, Indiana. Recently, I graduated from North Carolina Agricultural and Technical State University where I earned my B.A in Sociology. I was a camper for 12 years, this will be my 6th year on staff and my 2nd year as the Hill Coordinator.

My favorite part about being a role model is watching the kids become comfortable and confident in the activities they do over the week. It is so rewarding to watch them get excited about reaching their self-set goals and making new ones for themselves as the week goes on.

Camp means the absolute world to me and has taught me so much about myself. It has definitely shaped me into the person I am today. Camp has given me so many values to follow and take into my life outside of camp. It has also taught me to have empathy for other people and things around me.

My favorite camp song has to be the Wizard Song and my favorite camp memory is being in a dance clinic and performing the dance for all of camp.

I can't wait to lead the girls on The Hill!

Nolyn
Valley Coordinator

Hello everybody, my name is Nolyn and I am from Danville, Indiana. I am a business student at Ball State University studying Business Administration and Economics. Chirp Chirp! I was a camper at Flat Rock for 3 years but have been a part of camp for 8 years now. I have been a Valley counselor for the past 2 summers at Flat Rock and look forward to my new role as the Valley Coordinator!

My favorite part about being a camp counselor is being able to make and see a difference in my campers' lives. Camp has turned me into the person I am today by helping me become an outgoing person on my campus and giving me the required skills that help me in public speaking. I learned so many things about myself at camp as well and it laid a huge foundation on how I want to treat others.

As a role model at camp, I want to share my appreciation for the outdoors as well as my ambition to make the world a better place. My favorite camp song has got to be "Down in the Valley" simply because that is my favorite spot to be at Flat Rock. One of my favorite camp memories is running all around camp in a dinosaur blanket to be the dragon for another cabin's dragon hunt during fantasy week. The joy the campers had on their faces was priceless and definitely a highlight of my first summer as a counselor.

Outside of camp, I enjoy going on long walks around campus at night, but nothing compares to seeing the hundreds of stars after dark at camp. I also enjoy playing my guitar and ukulele any chance I can as well as learning new random instruments like the cajon or ocarina. Lastly, I enjoy spending time with the important people in my life and making new memories with them. I can't wait to see you all this summer!

Molly
Village Coordinator

Hey Flat Rock family! I'm Molly, proudly from Avilla, Indiana. I am so excited to be back for my 4th summer on staff after 7 years as a camper. Camp life is my passion, from the best baked oatmeal to conquering overnights. When I'm not at camp, I am working at a Montessori school or soaking up live music, crafting, and nature.

Flat Rock isn't just a camp, it's my haven and where I found myself as a camper. Now as a staff member, I am excited to continue to create that same haven for campers by fostering bonds and offering a safe space for everyone. Some of my most cherished memories are from camp adventures, like my first horseback ride or conquering my fear of going down the zip line after a decade! My favorite song is Herman The Worm. Flat Rock has been a transformative force in my life, and I'm beyond thrilled to dive back in with my new role at the Village Coordinator. Here's to another summer of growth, friendship, and unforgettable moments!

Outside of camp, I enjoy going on long walks around campus at night, but nothing compares to seeing the hundreds of stars after dark at camp.
