PROFESSIONAL EXPERIENCE

Flat Rock River YMCA Camp

2017-present

Lead Staff-Village Director

Summer 2019

- Trained and managed 15 staff members within the Village, consisting of all male campers age 7-12 years old.
- Engaged with parents of campers on a weekly basis to ensure high quality programming and receive feedback on how to make programming better.
- Developed week-long staff training for 60 staff members with the Lead Staff and Full Time Staff to ensure a safe, fun and transformational experience for all campers throughout the summer.

Program Head-Target Sports

Summer 2018

- Trained and managed 4 staff members within my program unit including giving staff regular reviews
- Scheduled staff in programs to ensure the most campers can participate in each program offered each day
- Developed curriculum for multiple program areas and incorporated feedback from staff and campers to improve program quality
- Inventoried and responsible for supplies to ensure quality execution of all programs within a unit.
- Acted as a Cabin Counselor with all of the below responsibilities

Counselor

Summer 2017

- Managed a cabin of 12 campers, aged 10-12 with a co-counselor including daily schedules, troubleshooting issues and providing excellent care during a residential program
- Advised and taught archery skills to 60 campers daily, including safety and risk management in a high-risk environment.
- Mentored campers and provided daily advice for issues ranging from homesickness to lost items of clothing throughout camp
- Provided feedback to full-time staff on ways to improve cabin activities and archery activities leading to an increase in program quality for the entire camp.
